

SUMMER CAMP

FOR MIDDLE SCHOOL STUDENTS

JULY 18-22, 2011

AT

NIAGARA CAREER AND TECHNICAL EDUCATION CENTER
3181 SAUNDERS SETTLEMENT ROAD, SANBORN

CSI-Crime Scene Investigation

Students will learn about crime solving by studying a crime scene and collecting the evidence just like a crime scene investigator would.

Foods of the World

This class gives students the opportunity to explore foods from different countries. With supervision, young chefs will prepare foods that are easy, fun, healthy and ethnic with an emphasis on safety, nutrition and cooking skills in our state of the art commercial kitchen.

Traveling America

Disney World, the Grand Canyon and New York City will be destinations during this week. Students will create a vacation brochure, decorate the class as a travel agency and plan vacations to some of America's greatest destinations.

We Got the BLING...BLING

Students will learn the basics of jewelry making just like the pros. Using basic design techniques, students will make one-of-kind fashion jewelry.

Nascar Pit-Stop

Students will design, build and race model cars. Competitions will be judged on speed, design and endurance.

Put the "Ahh" Back in Spa

Students will encounter the ultimate spa experience. Students will be introduced to facials and daily routine for maintaining their skin, along with manicure, pedicure and application of nail art.

Real Life ER

Come and explore what Doctors, Nurses, Emergency Medical Technicians and many more Health Care Professionals really do in the Emergency room! Learn how to suture, practice performing CPR, examine live hearts and practice applying real casts. Create your own first aid kit, learn how to treat sports injuries and much more! Don't miss out on this fun filled Health Care exploration!

Behind the Scenes

There's a new product on the market and you are in charge of creating the ad campaign. Students will use state of the art Macintosh computers, software, and digital cameras to create posters, buttons and a commercial to promote their product.

Create Your Own Dream Space

Learn about the exciting world of interior design. This week is full of styles of furniture, colors and room layouts. Re-planning and designing your own dream space and using the exciting techniques to illustrate this plan will be completed this week, students will create an accessory for actual use in their bedroom.

Ready for Lift Off

Students will design, build and launch Rockets. Competitions will be judged on speed, design and endurance.
