

**PLEASE POST CONSPICUOUSLY IN PLACE OF THE
EXAMINATION ANNOUNCEMENTS FOR DIRECTOR OF
FACILITIES I, II, AND III.**

The open competitive examinations for Director of Facilities I, II and III scheduled for December 7, 2013 have been cancelled. The Department of Civil Service has been informed that legislative changes are being proposed to address issues raised by various parties. As these proposed changes may impact the examination, it is necessary for the Department to cancel the scheduled examinations.

If you have submitted applications to exam numbers 25-779, 25-780 and/or 25-781 and paid an application fee, the fee will be refunded to you in due course.

The examination for Director of Facilities I, II and II will be rescheduled in 2014. Individuals interested in participating in these examinations will need to re-apply at that time. New examination dates will be announced following legislative action amending section 17(5) of the Civil Service Law.

The above statement has also be posted on the New York State Department of Civil Service website for the general public to access.
