SUBJECT: RECORDING AND LISTENING DEVICES

At Orleans/Niagara BOCES and during the course of BOCES events and activities, persons are prohibited from using (or attempting to use) any electronic, communication, or recording device (including but not limited to cameras, video cameras, tape recorders, cell phones, iPods, smartphones (i.e. iPhones and/or Android devices), web-enabled devices of any kind, tablets (i.e. iPads and similar devices), or other mobile computing devices) to capture, record, and/or transmit the words or sounds (i.e. audio) and/or images (i.e. pictures or video) of any student, staff member, or other person, unless expressly approved by a school administrator or other authorized school official. Using (or attempting to use) an electronic or communication device to capture, record, and/or transmit audio and/or pictures/video of an individual is prohibited, unless expressly approved by a school administrator or other authorized school official.

This policy does not in any manner apply to security/surveillance cameras and/or systems used by the BOCES.

The District Superintendent shall be authorized to administer this policy, and to promulgate any regulations, procedures, and/or forms consistent with this policy.
