Erie 1 BOCES Educational Center

B2A & B2B

8:30am–2:30pm

355 Harlem Rd. West Seneca

Erie 1 BOCES and Orleans/ Niagara BOCES School Library Systems would like to invite you to attend a Professional Development learning opportunity.

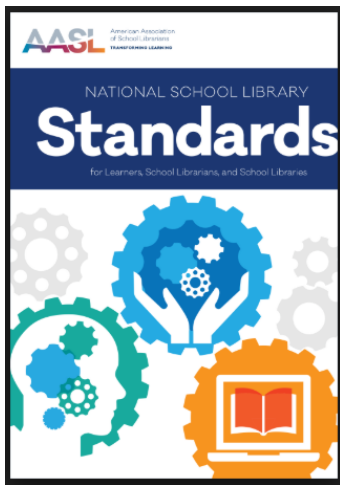

There will be 5 hours of CTLE hours available. There is no cost to attend, space is limited.

In this one-day hands-on seminar just for school librarians we will examine and digest our new national library standards. Through engaging hands-on activities and planning, librarians will exit feeling equipped to tweak their library program for new standards of engaged learning. Librarians will share ideas, set goals, and brainstorm program modifications to begin to align their instruction with the new standards.

Discussion scenarios will include:

- o How do new AASL Standards jive with NYS librarian and learning standards?
- o Should I pay attention to all this?
- o How different is this from what I am already "doing"?
- o How do I meet standards if I am void of classroom collaboration?
- o What is the link between technology tools and new standards?
- o Where does reading fit into the standards?

Attendees should bring along: **An ELA core novel used at some grade level** (for which they'd like to collaborate) Or, a **couple of "great" picture books used in read-alouds** for which they might like to plan a lesson. At the end of the day, we will brainstorm, tweak, and/or plan a lesson that is "standards-aligned". This could be something completely new or something in need of a re-work.

Please bring a fully charged internet ready device with you.
